

Our Financial Policy

We request payment at the time of visit. We accept cash, check, VISA, Mastercard, Discover or Care Credit. If your child's dental treatment is extensive, our administrator will meet with you and give you a treatment estimate.

As a courtesy, we will file with most dental insurance plans. We ask that payment is made in full at the first visit to our office. Please bring your insurance card or a claim form with you to the first visit. Once a payment history has been established with your insurance plan, you will be asked to pay estimated co-pays and for any non-covered services at each visit. We participate with United Concordia, Inc. And Delta Dental Plans of Virginia.

Remember, you are responsible for your account. Your policy is an agreement between you and your insurance company. You are responsible for any services not covered by your policy.
